APPENDIX C.

APPENDICES TO ANSWERS TO QUESTIONS.

[Vide *reply to Question No. 5 (a)*].

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

ORDER NO. E. 3966-7—EDN. 295-22-1, DATED, BANGALORE, THE 22ND DECEMBER 1922.

In view of the large disparity between the number and strength of Primary Schools and those of Middle Schools the question of increasing facilities for pupils in rural areas to migrate to the Middle Schools in towns has been under the consideration of Government for some time past. Apart from the purely Boarding Schools there are no Government Middle Schools with hostel facilities, and in their order on the Education Memorandum, Government considered that on account of the large number of Middle Schools it would not be possible to provide Government hostels in connection with them and that hostels for the benefit of pupils of the Middle School stage should be started on a grant-in-aid basis, private enterprise being stimulated by liberal grants under the rules. So far however there has not been sufficient response from the public in the matter of starting aided hostels in the middle grade of Education and this is perhaps partly due to the early age of most of the pupils in this grade of instruction.

2. The subject was discussed by the Dewan at the last educational conference held under his presidency and the general sense of the conference was that wherever Middle Schools were popular and attracted a large number of pupils, hostels may be opened provided a minimum number of 20 pupils is available to join the hostel and that some of the teachers might also be encouraged to take up a house and run a Boarding Home in order to make the schools popular.

3. Government are of opinion that the above suggestions may be given a trial and are accordingly pleased to direct that the Inspector-General of Education may select one or two centres where there are teachers who will take up the work of running a hostel and submit detailed proposals for the orders of Government. With a view to give the scheme a fair trial, Government will be prepared to bear the entire rent and establishment charges of these hostels and to allow the teacher managers of the hostels a suitable remuneration by way of allowance for doing the duties of warden and educational supervisor.
